**"Every time
she bends over,
it gives me cramps."**

**"These aerobic classes
are making
me nauseous."**

**"I wonder if
this 'Lamaze system' was
what got her pregnant
in the first place."**

**"I wish she wouldn't
drink so much lemonade
when there's
no toilet around."**

**"She catches a cold
and it ruins
my whole weekend."**

**"Hmmm 2 a.m.
Guess it's time for my
karate lesson."**

**"I feel so guilty
keeping her up with
my hiccups."**

when Dad got the promotion
but now Mom thinks her
career will go to hell."**

**"I haven't even
been born yet and they're
saving for college."**

**"Homer?
This classical name fad
has gone too far."**

**"The vegetables
are OK I guess, but I
love those pretzels."**

"They get so excited
every time I give her
a whack."

**"If I don't hurry up
and get born, I'm going
to miss Christmas."**

**"Jennifer, Jennifer —
I'll bet there are six
kids in my class
named Jennifer."**

**"Hey, these
bumpy roads
are fun."**

**"Just when
do I get to
watch TV?"**

**"She wants to go back
to work in three months.
Who'll take care of me?"**

**"When I press here,
she always has to pee."**

"I think I'm prone to car sickness—I'm going to have to insist we travel by plane."

**"She gets so upset
when I jump around like
this—she thinks there are
two of us."**

**"I know they told her
to keep up her exercise program
but this is ridiculous."**

MYRNA FILBAUM'S
OFFICE

**"Everyone has started
to treat her with such
consideration at work."**

**"This broccoli
certainly makes
her gassy."**

**"Just when do I get to
taste a cheeseburger?"**

**"Are they going to
feel silly they painted
the walls pink."**

**"I just love the 'Jonah
and The Whale' story."**

'I know they're ecologically
undesirable, but the disposable
diapers sound so much
more comfortable.'

**"If I look like
my dad, I ain't
coming out."**

**"Grandma knows
I'm going to love
her cookies."**

"The doctor can't
figure it out yet."

**"Ha Ha—her
panty hose slipped
off again."**

**"These vitamins she's
taking are really kind
of awesome."**

**'The way they're talking
about pollution, by the time
I'm born, there won't be any
air worth breathing.'**

**"Well, she seems settled down
for the night. Think I'll try
a somersault."**

**"Every time Dad
puts his hand there, I
don't move a muscle."**

**"Suppose they'll take
me to Disney Land for my
first birthday?"**

**"Day care sounds SCARY.
Why can't I have a nanny?"**

**"Everybody
breast feeds these days.
You're not going to catch me
chomping on a germ-laden
rubber nipple."**

**'If Mom's going to spend
so much time getting back
into shape after I'm born,
who'll take care of me?'**

**"I can't imagine
squeezing through
that opening."**

**"Hey, keep away
from those smokers. Want me
to be a shrimp?"**

**"I remember when
she was sick every morning.
Now all she can think
about is sex."**

**"We're hot all
the time and it's not
even summer yet."**

**'Embarrassing squeezing
into those theatre seats.'**

**"The way they're
worrying about my education,
I'm already starting to have
nightmares about finals."**

**"It'll be a long time before
I can get in to see one of those
R-rated movies on my own."**

**"This workout drives
her crazy."**

**"This violin music
they're trying to calm me
with just isn't my beat."**

**"Why does
she want to sleep
all the time?"**

"Well, I'm certainly
not interested in
meeting little
Jason."

**"Luke, Max, Adam —
where do they come up
with these names?"**

**"I really hate
green peppers."**

**"It's a real pain
keeping all these aunts
and uncles straight."**

asks ME about the
due date."**

I'm going to be
a boxer."**

to be quieter—have I got
them fooled."**

**"These maternity
swim suits are a gas."**

indeed!"**

"Isn't that nice.
They're getting a bigger car
just for me."

**"I wonder if I
will be as good looking
as Mom."**

**"I certainly hope
this mention of stirrups
doesn't mean we're going
horseback riding."**

**"I think I saw a
flashlight through the exit.
I hope that nerd of a doctor
isn't going to poke around."**

**"Toes, fingers, ears and nose.
I'm about complete."**

**"I may have helped
toot the horn but you can't
blame me for the whole
blasted accident."**

**"I was so hoping
to be born in a
warm season."**

**"No one asked
for my opinion on this
circumcision thing."**

**"It may be boring
and damp in here, but it
does have a cozy feel."**

**"Let's see them
figure out that scan."**

**"I just can't wait
to get my belly
button."**

**"Why all the garlic?
I don't think we're
Italian."**

**"Let's try to get
together on this rolling
over in bed."**

**"If I look straight
down, I can just see something
that changes color every day
and even has pictures of flowers
on it and a label that says
Victoria's Secret."**

**"I can't imagine where
grandparents come up
with these names."**

**"I thought she was
all through with the pickles
and ice cream nonsense."**

**"An Alka Seltzer is
better than a bubble bath as
far as I'm concerned."**

**"I hope I'm not
going to get lots of clothes
for my birthday."**

**"That'll teach the
doctor to warm that
stethoscope first."**

**"Grandparents
certainly have
strong opinions
when it comes
to picking names."**

**"As soon as she goes
out shopping, I jump up and
down here and she has to go
to the toilet."**

she can't see her feet, but
I have no trouble."**

baloney? I want to be born in
a hospital like all the

Hooray—this could be the
big day."**

I could tell Mom a thing or
two about gas."**

certainly gets a guy's
attention."**

tough switching to baby food
after some of the stuff Mom's
been sending down."**

**"Dad never stops
talking about his little
football player."**

**"Dad's always saying
he can't believe he made me.
I don't understand what he
had to do with it."**

**"Sometimes I get
this feeling she can't wait
to get rid of me."**

**"They're already
talking about fixing me up
with a girl who hasn't even
been born."**

**"If she doesn't
stop with that diet
I'll never make 7 lbs."**

**"If I don't build
up my strength, I'll never
be able to crawl through
that tunnel."**

**'What's this TOYS R US
I hear so much about?'**

**"We must have a
doctor's appointment this
week. There's been no ice
cream for two days."**
